

LETTER OF ACCEPTANCE

COLACRO 0031

Bogotá D.C., August 8th, 2014

Dear Dr. ANDRÉS FELIPE PERALTA BOHÓRQUEZ,

We are glad to confirm the reception of the abstract entitled ***“Optimization of a headspace solid-phase microextraction procedure with gas chromatography-mass spectrometry detection of principal odour-active compounds in guava *Psidium guajava L. var. Palmira ICA*”***, which has been accepted for presentation at the 15th Latin American Congress of Chromatography and Related Techniques. In a future communication we shall define this presentation’s mode (oral / poster) and schedule.

Cordially,

Fabián Parada Alfonso
XV COLACRO President

Elena Stashenko
XV COLACRO Vice President
